Golden Butterflies Children's Palliative Care Foundation is a registered charitable trust founded in 2018.

We serve the needs of underprivileged children (and their families) suffering from chronic or incurable diseases.

OUR VERTICALS:-

GB Hear For You

(Counselling)

Psychosocial & Holistic active care to child patients & families including bereavement support.

GB Bandwagon

(Art & Education)

Art & Recreational activities include non-formal education for the children, siblings & caregivers.

GB Brick By Brick

(Capacity Building)

Workshops/ training/ certificate courses for doctors, nurses, and social workers. Creating compassionate communities by sensitising the general public on Paediatric Palliative Care.

GB Right Where You Are

(Supportive Care)

Multidisciplinary Paediatric Supportive (Home) Care team provides holistic intervention by being a bridge between doctors, child patients & families.

Financial support for nutrition, education, medicines, treatment, transportation & livelihood.

"Leave no child behind & advocate equitable access for all"

All Services Are Provided For Free
